To the Teachers of the

Dear Friends

In order that there may be no mistake as to our arrangements for the Easter Anniversary. I have issued this brief note of instructions

First. The milk chests will be handed in by the Scholars on Easter Sunday afternoon to their respective teachers.

Second. Each teacher will count the contents of the chest belonging to his or her class, after the session, and hand the box with a slip bearing the amount which was found therein, to Mr. Style, who will be in the Parish Library for that purpose

Third. The money will be added by each Teacher to their Easter Offering.

Fourth; Each class will be provided with an envelope on which is to be inscribed First. the class number

Second its name Third. The Easter offering; which is ascertained by adding the amount brought in on Easter including the milk chest money, to the amount previously given by the class, since the Lenten offering was begun, and which will be handed on a slip to each Teacher by the Treasurer.

Fifth. There should be selected, from the class some one Scholar to take up the offering, as it is called by number.

Seventh. A collection will be made from each class on Easter Sunday afternoon, for the Memorial offering, which is to be sent up in Memory of the Teachers and Scholars who have died in connection with our School.

Eighth. May I not ask, that every one will make an effort to have our offering, a liberal one

PHILADELPHIA, March 31, 1896.

The American Society for the Extension of University Teaching.

GENTLEMEN: An earnest desire has been expressed by many persons attending Mr. Shaw's lectures at the Association Local Centre to have him deliver, as a farewell lecture at the completion of the present course, a lecture on Mary, Queen of Scots. The program as originally outlined did not permit the inclusion of this subject, but the period of the Reformation and the Revolution seems incomplete without it.

We, the undersigned, representatives of the Association Local and other Extension Centres in Philadelphia, therefore request that the American Society arrange to have Mr. Shaw, before his departure for England, deliver a lecture on Mary, Queen of Scots, in Association Hall; and furthermore, we desire that the occasion be made a reunion of the University Extension Centres in Philadelphia.

Dear friends,

On the evening of Wednesday 16th. we are going to have a Puzzle Party, a Card Party, and a Radio Party instead of the usual Open-Door Night program.

For this party a charge of 35¢ will be made for admission.

Small prizes will be given to the winners at each table, whether in the Puzzle, Card, or Radio games, and light refreshments served at the end of the games.

Hereafter, during the winter, until Lent, one month will have an Open-Door Night somewhat like those in the past, without charge, and the next month a game party with charge.

The money taken in at the parties will be used -

1st. To pay the expenses of the Parties and Open-Door Nights (and those expenses will be cut to the minimum.)

2nd. To help create a fund with which to help any worthy members of the parish during these difficult times.

3rd. To be used as the committee in charge may elect for any parish purposes if there be any surplus.

It is hoped that the parties may do two things -

1st. Bring large numbers of our people together for a happy evening.

2nd. Furnish the funds for unusual expenditures without anyone being overtaxed.

Kindly either use the enclosed tickets yourself, or else try to sell them to your friends.

Please make all returns to William C. Kirk, Treasurer.

We are anticipating that the Parties will be great successes. They have been elsewhere, and can be with us.

Please help enthusiastically.

Nov. 6th. 1934

On Wednesday evening, Nov. 21st., we are going to have a Harvest Home Festival, which will take the form of a Parish Rally Dinner.

The gymnasium will be decorated with cornstalks, autumn leaves, pumpkins etc. and the tables decorated with things appropriate to the Thanksgiving season.

The chief purposes of the dinner are to get all of our people together for a parish-rally, and after the dinner, while still at the tables, to hear the head of each organization set forth the purpose of the organization in the life of the parish, and to state his (or her) hope or dream for the organization for this winter.

We shall have singing by all present, and special singing by the Boyd Octette, also selections by Miss Margaret Allen on the Piano-Accordian.

The price of the dinner, 50¢ is kept low, so that all may come.

The menu will be soup, turkey, vegetables, salad, coffee and apple pie.

This letter comes to ask you to do two things - first, be ready for a few minutes report about your organization, and, second, to urge all the members of your organization to be present and to solicit others to come.

After the reports, and heading up the whole evening, there will be a five minute spiritual appeal.

We have guaranteed the caterer an attendance of at least two hundred.

That is why we have so low a price for so good a dinner.

But that means we must do some work to get that many out

Let us all get together and work hard to make this a red-letter event in our parish life this winter.

I am counting on you.

TO THE MEMBERS OF THE SISTERHOOD OF ST. MARY OF BETHANY

Dear Friends:

The close of the year 1941 marks the Fiftieth Anniversary of the Sisterhood of St. Mary of Bethany. This is a notable occasion. It is an unusual thing for a purely parochial organization to go on for so many years.

It has been decided to celebrate this anniversary on Monday evening, September 29th. at eight o'clock, when Dr. Toop can be with us as Rector.

It is the hope of the officers that all members, past and present, will be with us on this occasion.

Please reserve the date.

Any voluntary contribution towards expenses will be received by Deaconess Brookman, Treasurer, or myself as Secretary.

We expect both Dr. and Mrs. Toop to be present.

Cordially yours,

ANNA M. BURT,

Secretary
